Accusation Based On A 'Misunderstanding'

The accusation made last week by the U.S. Army Corps of Engineers, that the City of Albany may be in violation in its waterfront landfill project, may be due to a misunderstanding, according to a report made to the City Council by Administrative Officer James Turner.

Turner informed the Council at its Monday night meeting, that the Corps of Engineers based their findings by comparing a Xerox map, with a scale of 1,000 ft. to the inch, with aerial photographs taken late last month.

According to Councilman Richard Clark, a Marine Corps Re-

serve pilot, aerial photographs can be very deceptive under certain conditions, and do not always give a clear factual picture.

On the recommendation of Councilman Lew Howell, Turner was instructed to prepare all necessary factual information needed to correct the misunderstanding, and forward it to the U.S. Army Corps of Engineers.

The Council, in further discussing the matter, expressed the unanimous opinion that the City is well within its rights, and offered an invitation to Corps representatives to visit the landfill site for a clearer picture of the operation.

"I'm sure we are right," Councilman George Hein commented. "Planner Leon Rimov is keeping an eye on the situation and I am sure he would be the first to inform us of any wrongdoing."

Councilman Howell further remarked that the Council itself will have to decide the guidelines for the waterfront development, and that many more work sessions, involving many hours of discussion and deliberation with the City Attorney and the Administrative Officer would have to take place before the "developers will know what to expect from us and what we can expect from the developers." Then, and only then, can the City call for other bids for the development.

The Mayor was requested, by other Council members, to set up a work session sometime in January, to begin future waterfront development discussions.

Persons wishing to enter the contest should call 525-1771 or 524-8100 days, or 526-1319 after 6 p.m.

Albany High's Holiday Concert

Albany High School's traditional musical salute to the Holiday Season will be held Thursday, Dec. 16, in the school gymnasium, beginning at 8 p.m.

Featured in the Christmas concert will be Harumi Ban, Albany High Foreign Exchange student from Japan. An outstanding young musician and scholar, Harumi will sing the lilting French yule carol "Good People, Hear the News I Bring." A special chorus of all-male voices will join him in several portions of this lively old-world selection.

Performing on the same program will be the Eighth Grade Chorus and the Albany High School Choir and Orchestra. The evening's varied offerings will include a traditional candlelight procession, an American Indian carol, two selections honoring Hanukkah (the Jewish Festival of Lights), a spiritual, the humorous "Christmas Chopsticks," and the concluding portions of Franz Josef Hayden's "Mass in Time of War."

In charge of the evening's festivities will be faculty members Dusty Hilsabeck, director of vocal music, and Ernest Douglas, director of instrumental music. Mary Wallman, Albany High School's versatile and talented librarian, will accompany the Choir on the piano.

The public is cordially invited to attend this Holiday Concert.

YULE POOL packages for Albany boys in the service who will be away from home this Christmas, have been packaged and are on their way. Irene MacWilliams, secretary, and Hal Denham, manager of the Albany Chamber of Commerce, display the last few packages going overseas from residents and business people in Albany, who have been sponsoring this annual event for the last four years.

Yule Pool Gifts On Way Overseas

The number of servicemen away from their Albany homes is considerably less than in the previous four years, during which the Albany Yule Pool has been in operation, according to the Albany Chamber of Commerce, who notes that this is undoubtedly due to the President's program of reducing service forces in foreign countries.

Identical 6-pound gift-wrapped packages have been sent to all Albany servicemen whose names were turned into the Yule Pool. Each package contained an RCA radio, toilet articles, canned nuts, candy and stationery.

Each package also included a list of the sponsors who financially support the Yule Pool. Each year many appreciative letters are received from the boys, who write that this unusual program seems to be exclusive with Albany.

The Albany Chamber of Commerce, and the parents of these boys, wish to express their grateful appreciation to the following sponsors who made this program possible:

Firemen's Association Ladies Auxiliary, Foley, McIntosh & Foley, Albany Lions Club, Jerome Blank Realty, Golden West Savings, Jeans Realty, Mrs. Pastana, Mrs. Ed J. Murphy, Dorothy McCain Elsenius, Ellis-Olson Mortuary, Hill Lumber Co., Hollifield's Jewelry.

Petite Beauty Nook, Security Savings & Loan, Soroptimist Club of Albany, McDonald's Hamburgers, American Legion Auxiliary Unit 292, Sintas Family, Pearl C. Borden, Bayview Auxiliary F.O.E. 2323, David Foster, Senior Center, Robert Walkup, Albany Times.

Farewell Dinner Planned for Elda

A Farewell Dinner will be held for Elda Foott, who is retiring from the position of clerk in Jim Turner's office, after 10 years of service to the city.

The dinner will be held Wednesday, Dec. 29, at Serb's, 1045 San Pablo Ave., with a Happy Hour at 6:30 p.m., followed by steak dinner at 7:30 p.m.

The public is cordially invited to attend the event. Reservations may be made by calling the Administrative Office at City Hall, 526-6116. Deadline has been set for noon, Monday, Dec. 26.

NOTICE

Because of the Christmas and New Year's holidays, the Albany Times will be published on Tuesday, Dec. 21, and Tuesday, Dec. 28.

Early deadlines for the next two weeks will be: news and photos—Thursdays at noon; classified ads—Monday noon.

Council Action On City Business

Althea Ippolito, appointed to the position of City Clerk by the Albany City Council last week, was sworn in by City Attorney Larry Saler just prior to Monday night's meeting and assumed her official position to record the minutes of the Council meeting.

Council action at the meeting included approval of changing the yellow zone at 1061 Eastshore Highway to two green 20-minute zones, for parking for customers

of the Buerher Forklift Co.; and the second reading of Ordinance No. 71-024, which changes the Traffic and Safety Commission from a 5-member commission to a commission composed of five voting members and five non-voting associate members. The associate members are to be Albany High School students, with the Council members each appointing one associate.

Three resolutions were also in-

troduced and adopted by the Council—one appointing Althea Ippolito as City Clerk, one commending Mabel Hansen on her retirement from the City of Albany, and the third authorizing and directing the execution of a sub-contract under the "Emergency Employment Act of 1971."

Wording of the proposed charter amendment on Parity Pay for Albany Policemen and Firemen was read, and held over for next week's meeting, when the Council will take action on it and other proposed Charter amendments.

A request was read from the City Clerk of Vallejo, asking that the citizens of Albany sign a petition supporting a resolution on Federal Revenue Sharing, adopted at the 1971 Annual Conference of the League of California Cities. Council members approved the placing of copies of the petition in the City Clerk's office, where interested citizens may sign it.

A proclamation from Betty Shirley, a bridal pageant coordinator, requesting that the week of Jan. 30, 1972, be declared "Bridal Week" in Albany was approved, and a communication from the Berkeley Municipal Employees' Credit Union, inviting the Mayor, City Council and city employees to participate as members was ordered to be sent to all department heads.

The Council also took under advisement a request by Albany resident, Mrs. Martha Hood, that the City consider accepting foster homes for the mentally retarded who do not require 24-hour hospitalization, whom the State is now releasing into communities, as a result of the passing of Assembly Bill 225.

A communication from Fire Chief Gerald Browne, notifying the Council of the resignation of Henry Zellman from the Fire Department, as of Dec. 15, was accepted with regret, and the Chief's recommendation on the appointment of Michael James Blackwell as Zellman's replacement (as of Dec. 16) was approved.

Applications from Robert Luoma, for a variance at 634 Cornell Ave.; and for a use permit from Eva M. Gordon, to operate an employment agency at 600 San Pablo Ave., were unopposed and were granted. Hearings were set for January 3, for use permits for a sign business at 1053 San Pablo Ave., a bicycle sales and repair business at 919 San Pablo Ave., and a wholesale parts business at 923 San Pablo Ave.

The Council also received Turner's answers to the questions posed by the Albany Bay Committee concerning the recent proposal to develop the waterfront and requested the Administrative Officer to forward a copy of the answers to the Committee.

Holiday Concert And Ball Planned

The Richmond Maennerchor (Male Chorus), jointly with its newly founded Children's Choir, will give its first Christmas Concert and Ball on Saturday, Dec. 18, in the Veterans Memorial Building, 1325 Portland Ave.

The hour-long concert will begin at 8 p.m. and will be followed by dancing to the music of "The Prosits," under the direction of conductor Dietrich Erbeling.

Songs on the program will include "Heilige Nacht Oh Giesse Du" (German), "Oh Holy Night" (English), "Duermie Mi Bien" (Spanish), and others. Admission will be \$2 per person.

The Richmond Maennerchor, which celebrated its 60th anniversary last April, is an amateur choir consisting of approximately 25 adults and 20 children. Membership is open to everyone willing to sing and to attend rehearsals.

For further information contact Egon N. Herres, 655 40th St., Richmond, Ca. 94805.

Flag Pole Site Selected

Albany's long-awaited flag pole was the main topic of discussion at this week's Chamber of Commerce Board of Directors' meeting.

Leon Rimov, flag pole committee chairman, reported a possible site had been checked out with Administrative Officer Jim Turner, and recommended that the Chamber seek Council approval of the suggested location, so that the project could move on.

The site under consideration is located in the planting median west of the Southern Pacific railroad tracks near the Freeway overpass. One reason it was picked as the most logical location was the availability of power for 24-hour illumination, which would be a great deterrent against vandalism.

The Chamber accepted the flag pole as an official Chamber project, and voted that funds derived from a former Art Show, which has been held in a Chamber account, be earmarked as the beginning of the special project funds.

The Chamber hopes to make the flag pole and its maintenance a real community effort, with even the children in school becoming involved in the project.

Chamber manager, Hal Denham, reported that the City's Christmas tree and manger scene would be installed at its usual location at Key Route Blvd. and Solano Ave., near the Freedom Shrine, through the cooperation of the Albany Fire Dept. and the Park and Recreation Dept.

Denham also announced that 10,000 up-dated Albany street maps would soon be available. The maps will sport a 4-color

cover and will include (using 3 colors) Golden Gate Fields, water areas, adjacent highways and facts and pictures about Albany, including the diagram of the proposed Albany Isles plan, together with the names of all members of the Chamber of Commerce.

The maps are being produced at a cost of 13 cents each with funds derived from the advertising placed in the city directory.

Burglaries And Thefts Increase

Albany Police Inspector Art Smith reports that petty thefts and burglaries are on the increase this month.

Among items reported stolen are: a bedspread taken from the Villa Motel; a "fish eye" mirror, removed from James Arnold's car while it was parked in front of his place of business at 1252 Solano Ave.; and power tools, including an electric sander, electric drill and accessories taken from the home of George Rose at 631 Jackson St.

A thief attempted to take a Christmas wrapped bottle of liquor from Michael's, but dropped the package when he saw a clerk observing him. The unbroken bottle of liquor was retrieved, but the thief got away.

Another thief sawed through several padlocks at University Village to enter the Recreation Dept. shed, which was ransacked, but nothing stolen.

The Housing Office in University Village was burglarized and a small amount of coins stolen. Police, in answer to a silent alarm, apprehended Roger Ross of Berkeley, who is on parole from the Oakland Police Dept.

Master Mason's Second Term

For the first time in the history of Albany Lodge No. 686, F&AM of California, a Master has been chosen to serve for a second year.

Jourdan will be installing officer; Harold Chester, assistant master of ceremonies; Roland Grisham, chaplain and Aldo Tallo host. All are Past Masters.

Officers to be installed include: Clarence Noble, senior warden; Jack Sargent, junior warden; Lowell Keith, treasurer; Fred Woodward, secretary; Charles Moore, chaplain; Charles Finley, senior deacon; Robert Forkem, junior deacon; Herbert Moss, senior steward; Elvis Harrison, junior steward and Julius Pugliese, tiler.

Along with his many club and organization activities, the re-elected Master has found time to serve the City of Albany for four years as a member of the Planning Commission and for two years on the Civil Service Commission.

there had been two fires within the city. The third started while one of Albany's first settlers was shingling his roof. As he stopped to answer the call of one of his few neighbors, they both noticed smoke coming from under the rafters of a small lean-to. On investigation a brisk fire was found burning in the lean-to, which was eventually put out with the help of three other neighbors.

A few days later, the Enterprise (the local newspaper) published an announcement of a meeting to be held on Dec. 20 to form a fire department. Seventeen volunteers attended the meeting — by-laws were introduced and a bell was ordered installed in the school tower, to signal a fire or other emergency.

Hey, kids! Santa Claus will be making his annual visit to the Albany City Parks Friday, Dec. 24, to give out candy canes to children of all ages—so you better watch out, Santa knows if you're good or bad.

He will be at Memorial Park at 12 noon, Terrace Park at 1 p.m., and Community Center at 2 p.m. Spread the word—"Santa is coming to town." Moms and Dads are welcome too.

Albany's "Nick" Reckas, sales manager for the Western Division of Award Fabrics, Inc., leaves for New York Sunday, to report his findings on fabric trends in the West, the results of a recent research trip to the Northwest states.

It's a busy time for Rev. Ronald Greilich of the Albany United Methodist Church, his wife Florence, and Frances Lozier, all Albany residents. They have spent a good part of the last few weeks practicing for appearances in Handel's "Messiah" with the Berkeley Community Chorus and Orchestra, last Sunday, at the Berkeley Community Theater and four other appearances in the Choral Arts Christmas Concerts.

Albany's "Swingin' Granny" is back in town, according to her manager, Tim O'Malley, and busy with public appearances. Granny recently appeared on TV's "What's My Line," and yesterday visited the San Francisco television studios of KPIX, where she taped a segment for the Ron Mager's "Electric Impressions" show, which will be viewed in the Bay Area over Channel 5 sometime later this month.

W. Mortensen of 913 Ramona was the name drawn Monday by Ralph Jensen as H. L. Moore's entry in the East Bay Chrysler-Plymouth Dealers contest. Mr. Mortensen will be the guest of the local Chrysler-Plymouth agency at the Raiders-Denver game this Sunday. During half-time activities Mr. Mortensen's name will be entered, along with 12 other East Bay Chrysler-Plymouth Dealers' winners, in a random drawing for the Grand Prize of a 1972 Plymouth Duster. The remaining 12 people will be awarded a pair of season tickets for the 1972 Oakland Raider

Plan Ahead for Vietnam Calls

Pacific Telephone today reminded the families and friends of American servicemen in Vietnam to plan ahead for holiday telephone calls between the two countries.

"If you have holiday greetings to exchange by phone with a relative or friend in Vietnam, arrange to have him place the call from there," suggested Charles V. McAvoy, Bay Area General Traffic Manager for Pacific Telephone.

McAvoy said that trying to reach a particular serviceman quickly by calling from the United States is close to impossible. Servicemen are likely to be on duty or stationed in remote areas where they're extremely difficult to locate, he explained.

To minimize these difficulties, according to McAvoy, special arrangements have been made again this year to permit servicemen to call home at the times most convenient for them. The

USO, Vietnam, Hong Kong and Guam will be working together to simplify the calling and permit the maximum number of men to talk.

Last year, more than 1,000 calls per day throughout the Christmas season were completed from Vietnam for off duty servicemen calling home.

Many servicemen call from the USO center in downtown Saigon, but calls also can be placed from a number of hospitals and service centers at bases elsewhere in the country.

McAvoy also advised the families and friends of Americans stationed in other Southeast Asian countries, to make arrangements for the servicemen to originate their holiday telephone calls, since they too often are difficult to locate.

Sonotone Offers Hearing Aids To Needy Children

Hard of hearing children of needy families, residing in the Bay Area, can have their letters to Santa Claus answered this year, thanks to Sonotone Corporation, the nationally known hearing aid organization.

W. E. Palmer, Vice President and General Manager of Sonotone, has announced that the company will again make available 1,000 free Sonotone hearing aids, to children throughout the country who need hearing aids and who do not now have them because of financial reasons.

This is the 18th Christmas that Sonotone has helped bring a happier life to youngsters in need of better hearing.

Details of the program can be obtained by contacting your local Authorized Sonotone Dealer, Sonotone of Berkeley located at 1705 Solano Ave. Anyone who knows a needy child with a hearing loss, who does not have the advantage of an adequate hearing aid, is invited to get in touch immediately with Keith D. Tanner, Authorized Sonotone Dealer in Berkeley.

"No child need miss the joyous sounds of Christmas, and no teenager need start the New Year

with a hearing handicap, because of family financial problems," Mr. Tanner said today.

"Bring the child to my office for a hearing test. As soon as I investigate this request and am satisfied the child can be helped by one of our hearing aids, I will recommend to our home office at Elmsford, N.Y., that an aid be given to the child free. Application should be made early to be in time for Christmas.

"The case can be facilitated if the child's financial and physical problem is certified by a responsible individual or group, such as a doctor, teacher, clergyman, PTA, civic group, welfare organization, etc."

The gift plan, first announced by Sonotone in 1954, includes personal assistance to the child in the use of the aid by the local Sonotone office.

Sonotone's experience in fitting modern, easy-to-wear hearing aids has resulted in a happier life for hundreds of boys and girls.
